Dear Sir/Madam,

We are calling all education institutes to join us in the first and the biggest Malaysia Esports Convention 2018 in Kuala Lumpur this November 2018.

Do join us and get a chance to promote the courses related to the development of esports, for example software development, animation, multimedia, programming, game development etc.

Your students from the related faculties are also welcome to show off their related study projects during the exhibition. Get the attention from various agencies for their projects.

For further information, you can contact us through this email address or call directly to Mrs Dhaniah 0134330558 or Mr Goh Boon Tong 0192138864.

Thank you.
