Liquid Learning is delighted to present the 3rd Annual University Research Performance Forum 2015 – This highly-focused event will bring together leaders from academic, industry and Government organisations from a wide range of backgrounds to network, discuss opportunities and share practical ideas for improvement.

The interactive, case-study driven event will draw on experiences and key lessons learnt from some of the most accomplished research institutions across the region, providing delegates with fresh perspectives and insights for expanding critical skill-sets and enhance research quality and outcomes.

Please refer to the back of this page for the trainer and event overview.

For a complimentary full event brochure including registration information please contact our marketing team at +603 2164 9920 or email marketing@liquidlearning.asia

This event will be capped at a modest number to ensure participant needs are addressed and is receiving a fantastic response, please do contact our registrations team on +603 2164 9920 at your earliest convenience to secure your seats at the workshop.

Thank you for your time and we look forward to welcoming you to this landmark event.

Yours Sincerely,
