

# University Ranking, Impact and Networks

Enhancing Competitiveness through Entrepreneurship and Inter-Institute Collaboration

Organized by:

**Department of  
Science and Technology Studies**

As universities evolve from their traditional role as centres of knowledge and education into new dimensions of innovation and commercialization; university competitiveness rankings have evolved to reflect the 21<sup>st</sup> century reality.

We cordially invite you to a day of seminar presentations and discussion with our noteworthy presenters to discuss current challenges and best practices in building a competitive university:
